

## AMERICAN BANK BILLS.—II.

In continuing our notice of the old American paper currency, we present eight further examples of the designs employed.

Fig. 1.

Fig. 1, one-sixth, one-third, one-half, and two-thirds of a dollar, 1776. The device is thirteen rings interwoven with each other; upon each of these is written the name of one of the states—New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina, Georgia, New Hampshire, Massachusetts, Connecticut, Rhode Island. In the centre is a double circle, from which emanate rays of light; on the outer circle is written "American Congress," on the inner "We are One."

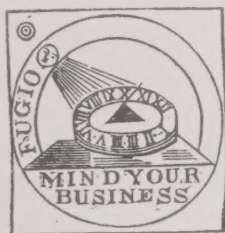

Fig. 2.

The reverse of this design is given in fig. 2; it represents a sun-dial, on which the solar rays fall obliquely; associated with this is the word "Fugio," below the sun-dial the practical suggestion, "Mind your business." The suggestion is that the citizens of the colonies or newly formed states should not waste their time in useless negotiation, but, warned of the rapid flight of time, strike boldly and at once.

Fig. 3, bill of fifty dollars, 1778. A pyramid

Fig. 3.

formed of thirteen steps, symbolic of the thirteen Confederate states. Above is the word "Perennis," (Eternal), a sad mockery, as events have turned out.

The five following bills or notes belong to those especially issued by South Carolina and Georgia. Fig. 4 (Georgia) two dollar bill—two pitchers laying side by side. The emblem is suggestive of reciprocal interests, and an aspiration for peace. This idea is

conveyed in the motto, "*Si collidimus frangimur*" (Collision destroys us).

Fig. 5 (Georgia) five dollar bill, 1777—a coiled rattlesnake. The species coils to the number of thirteen, and it was chosen by the Georgians as an appropriate emblem on account of its vivacity, vigilance, and extreme cunning—"a serpent more

Fig. 4.

subtle than all the beasts of the field." If attacked, it almost invariably retaliates by striking a mortal blow. The legend is the old Scotch motto, "*Nemo me impune lacessit*" (No man shall hurt me safely).

Fig. 5.

When the American Congress was occupied in the selection of a national flag, the rattlesnake was warmly supported as a fit and proper emblem of the states; the device of the stars and stripes, however, prevailed, and this flag is still (how long to be?) the recognised symbol of the United States.

Fig. 6 (South Carolina) bank-note of ten pounds, 1779—an arm supporting a naked sword; below the device, "*Et Deus Omnipotens*" (And God Almighty). The idea conveyed was that of the colonists' firm

other designs by pyramidal steps, linked rings, &c., is again employed: it is not a little singular that this declaration of unity and its typical hearts united as one, should be the device chosen by the State which was the first to break the Federal union. Time tries all things, and the States unitedly could afford to

Fig. 7.

defy a powerful nation, very unwilling to yield up its colonies. They, in those days, animated each other with such sentiments as this:—

"Ne'er dream submission will appease our foes,  
We shall be conquered rebels, and they'll fear  
The spirit of liberty may rouse again;  
And therefore will they blind us with strong chains,  
New cords, green withies, like those that Samson bound,  
And we, alas! shall have been shorn and weak  
On folly's lap—if we yield up our freedom."

And, strong in these sentiments, they stood by one another, held their own, established independence; and now that eighty years and more have passed, we see these States, once sworn to love and amity, turn-

Cataloging errors will be cheerfully and promptly corrected. **FLOOR BIDDERS MAY NOT RETURN ANY LOTS** including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 35 days after a sale. As the auction house acts as an agent for various consignors, **NO CLAIM OF ANY KIND** can be considered after settlements have been made. If a claim is not made within this 30 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. **Lots are not shipped until paid for in full.** Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact.
3. **Successful floor and mail bidders are required to pay the full invoice amount before lots are delivered. Terms of this sale are strictly cash or an approved VISA or MasterCard (Refer to Paragraph 5). Should payment be made by check(in any form), the auctioneer reserves the right not to deliver lots until funds have cleared, usually 14 business days.** First rate credit references and a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale. Any questions regarding the above policy should be made in writing to the auctioneer 7 days prior to the sale date.
4. **A 10% buyer's charge will be added to the successful bid price of each lot.** This 10% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 2% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former top bidder. Late payers should not expect to receive future catalogs.
5. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in **U.S. Dollars by International Check drawn on a U.S. bank** or by wire transfer to the account of Craig A. Please supply account number, signature and expiration date on your Bid Sheet. Refer to your Bid Sheet for further instructions.)
6. **POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS.** All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered air mail with return receipts and proper custom tags on overseas shipments.
7. **SALES TAX** will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented. **Sales Tax in the amount of 6% will be collected on all lots delivered within the State of Michigan.**
8. **TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE** until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below 60% of estimate will not be accepted. By placing a bid in this sale either in person, by agent, mail, phone or fax, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.
